

I wish we would do this tbh. I wish I had a dragon. I need a new bra so I measured myself and put it into four different online bra size calculators and each various calculator gave me sizes spanning from A, B, C, and D so being a woman is fun. I just want to thank everyone on this sub for being so friendly and kind on my silly post. I feel like i'm amongst friends . I wish someone had told 16 years old me this. I just want to say I love this sub where I can vent and not hold back and I love all of you hilarious, shameless, witty, sexy, awesome Trolls! I wish I was surprised by this dudes sentiment. A lot of people agree with him and it's disgusting. I wish she was my teacher. I need help. The Center for Bio-Ethical Reform (anti-abortion group) is campaigning at my school for the next several days. I need to know... For research... I wish I could say I knew extraordinary men in my life. I just want to show everyone my succulent garden because it makes me happy. I want to ask this question in a respectful manner, knowing also that you're from Queens, so you will understand this question. I WANT THIS SO MUCH. LOL. I just want to die. I'm so tired of being a woman in America. I want to send holiday cards with a feminist theme this year. Too much? I need to post this for the giggles. I wish... I need help finding shoes! I'd love to live one day of my life with this kind of confidence. I need some stories/photos of couples where the man was actually hotter because I never see it ever. I need a bell. I wish Mythbusters would have kept some things to themselves. I want to hide all my pain with humor but it's not working. I wish I had this kind of talent. I wish I knew how to go about doing better. I wish this was true, would make up for the back pain. I want to compose a post blasting the skeezy responses but can't atm. I'd like the next size up to wear to the club. Never be butt humped by a stranger again! I'm looking for some cool pro-choice charity suggestions to donate to! I want to wear a headscarf, but I've been told I should only wear what my people wear. But my people never wore their hair up so now I'm trying to find a culture that looks like me that covers their hair so that I can pass wearing some sort of headscarf. Which is actual cultural appropriation. Boo. I wish that J.K Rowling understood this. I wish this could be normal. I want tomorrow to come as slowly as possible because I'm not looking forward to getting back to the office! I want to send this to my bf but we're fighting but it still makes me laugh! I WANT TO DEFEND THE GALAXY. I need hair dye advice!(details in comments). I Want a Wife. I NEED A CUDDLE. I just want to point out how well 'Dead To Me' portrays abuse and gaslighting with the character Judy. Notably her often repeated, knee jerk, deadpan "It's okay" response whenever her abuser hurts her. I want a male character to shave their head after getting dumped. i need to know. I want that patch. I need this in my life. I need to rant: F*** my meds for having weight gain as a side effect!! I just want to listen to death metal in peace, damn. I want this. I need one of those IN/OUT flip signs on my bathroom mirror. I wish people realised just how gendered every single thing about domestic life is for so many people and how greatly it favours men. I want some of his ice cream please. I need to know. I need this printed on all my clothes. I'm looking for uterus puns. I figured TrollX was The Place to find 'em. What ya got?! I need to buy a hat at some point. I wish this was satire. From a sub about drawings. I wish I could share my loving and Accepting family with all of you who don't have one. Instead of "are you seeing anyone?" My aunt asked "who in your life is making you happy?".
